

Public Administration II

**Local Government's Protective Action
Decisions: Responding to Typhoon Risk**

Department of Political Science,
Sam Houston State University

**Asst. Prof.
Wen-Jiun Wang**

March 10th
10:20 - 11:10

College of Social Science 305

Dr. Wen-Jiun Wang joined the Political Science Department at Sam Houston State University as an assistant professor in 2018. Prior to this appointment, she worked at National Taipei University. Her research, situated at nexus of public administration and disaster management, explores how organizational managers make decisions during emergency situations, and the function and operation of emergency managers at the local level in both Taiwan and Texas.
