OF NATIONAL BREAST  
CANCER SCREENING  
PROGRAM IN TAIWAN

HUI-MIN HSIEH

(KAOHSIUNG MEDICAL UNIVERSITY)

2020/05/20（四）13:20~15:10

webex online lecture

\*本次演講為 webex 線上講座，webex link：<https://ppt.cc/fV2Qdx>

講者簡介：

Hui-Min Hsieh, Ph.D., is the professor of the Department of Public Health, Kaohsiung Medical University. Dr. Hsieh is the recipient of the 2019 Ta-You Wu Memorial Award (吳大猷先生紀念獎) and Distinguish Young Scholar Award of Kaohsiung Medical University (青年講座教授). Dr. Hsieh's expertise includes health policy and program evaluation, cost-effectiveness analysis, and health organization and management. Her current research interests primarily focus on the pay-for-performance program of the National Health Insurance Program on patients with multiple comorbidities, and health policy in cancer prevention.

Dr. Hsieh earned her Ph.D. in Health Services Organization and Research from Virginia Commonwealth University in 2010, her Master and B.S degrees in Business Administration in 2001 and 1999 from National Chung-Cheng University.
